Dear Tracy City Council,

I am writing to express my strong support for Mateo Bedolla's appointment to the vacant City Council seat. Since 2019, the Grand Jury has recommended appointing the third-place vote-getter to vacant council seats to ensure fairness and respect for the voters' will. Mateo received 7,673 votes in the recent election, and appointing him is the best way to honor the choice of the people of Tracy. Mateo has worked hard for our community on critical issues like affordable housing, job creation, and addressing homelessness. He is a leader who prioritizes the needs of residents and is committed to transparency and fairness. Appointing Mateo would be a positive step forward for Tracy and ensure that the council reflects the values of its residents. Thank you for considering this important decision.

Dear Tracy City Council,

I am writing to express my strong support for Mateo Bedolla's appointment to the vacant City Council seat.

As he was the third place vote, it makes the most sense that this is who our community wants to see in City Council for the available vacant seat.

Mateo has an interest in doing what's best for our community, in getting the resources, policies, and procedures in place to best serve our residents. His mother is one of the most dedicated teachers I know and she has raised upstanding contributing members to society, along with her husband, may he rest in peace. They are, at the root, a family who cares about our community.

Appointing Mateo would be a positive step forward for Tracy and ensure that the council reflects the values of its residents. Thank you for considering this important decision.

I am expressing my strong support for Mateo Bedolla's vacant City Council seat appointment.

Since 2019, the Grand Jury has recommended appointing the third-place vote-getter to vacant council seats to ensure fairness and respect for the voters' will. Mateo received 7,673 votes in the recent election, and appointing him is the best way to honor the people of Tracy's choice.

Mateo has worked hard for our community on critical issues like affordable housing, job creation, and addressing homelessness. He is a leader who prioritizes the needs of residents and is committed to transparency and fairness.

Appointing Mateo would be a positive step forward for Tracy and ensure that the council reflects the values of its residents. Thank you for considering this important decision.

Mayor and Council Members,

It is disheartening for me to write this email to my city officials. A majority of you have not been in your positions for more than 30 days, but the division has already started. Just a few months ago, the elected officials of Tracy used the Grand Jury report as the guidelines to run our city and was adamant that the Grand Jury report was the guiding "bible". In 2019, the Grand Jury has recommended that the third highest vote-getter to fill the vacant seat. Unfortunately, you, the newly elected majority council members and mayor have decided upon yourselves to cherry-pick someone else, other than the third highest vote-getter-Mateo Bedolla, to fill the vacancy.

I've attended the council meeting on December 17, 2024, when a speaker stated that Mr. Bedolla was "voted out because the people didn't want him as a council member". This could not be more false! Mr. Bedolla received 7,673 votes. That's only 250 votes less than council member Nygard (who received 7,923 votes). I truly believe Mr. Bedolla would have more votes if we didn't have 11 candidates running for council. We live in a country where democracy governs and exists. So please, fill the vacancy council seat with Mateo Bedolla and move on. We need our elected officials to work together in harmony so you can serve the people who have put you in your seats.

Sincerely,

This email is to show my support for Mateo Bedolla's appointment to the vacant City Council seat.

I urge you to do the just and right thing by appointing Mateo, as the number of votes he received from the community, reflect he deserves to be appointed.

To entertain any other option goes against what we, the community of Tracy, voted, and shows a total disregard for the Grand Jury recommendation and doing what is right.

It is imperative that our council hear and listen to the community. Mateo received the next highest number of votes due to his ongoing commitment to Tracy and serving the people. He has never been in it for a photo opportunity. He walks the walk and I know I can count on Mateo to always keep Tracy's best interest in all decisions made.

I am certain his proven record as a council member is what led to him receiving such a high number of votes.

To disregard what the voters chose, is a disgrace.

I urge you to do the right thing, listen to your community, and appoint Mateo Bedolla to the vacant seat. This is an extremely important decision and I am counting on our council to make the right one.

Dear Tracy City Council Members,

I hope this message finds you well. I am writing to respectfully urge the Council to appoint Mateo Bedolla to the vacant City Council seat. Since 2019, the Grand Jury has recommended appointing the third-place vote-getter to any vacant City Council positions, and Mateo Bedolla received over 7,500 votes in the recent election.

Mateo is a dedicated member of our community who has consistently demonstrated his commitment to Tracy and its residents. He works tirelessly to improve our city, always with a focus on making Tracy a better place for all of us. His leadership is honest, ethical, and driven by a sincere desire to serve the best interests of our community.

Given his substantial support from the community and his proven track record of hard work, I believe Mateo Bedolla is an ideal choice to fill the vacant seat. I respectfully ask that the City Council appoint him to this position, continuing the tradition of listening to the voice of the voters and ensuring that Tracy remains on a path of growth and leadership.

Thank you for your time and consideration.

Happy New Year Council Members,

It seems that the majority of the council is poised to disregard the current policy for filling the vacant city council seat. This is a bad idea. You will start off on the wrong foot with the community.

The only acceptable alternative is a special election that allows Tracy residents to choose the fifth council member. That's how democracy works.

I'd wager that you will decide to make the appointment with a vote of the council. You will appoint Guy McIntyre with a three to one vote. This will prove to the community that it's Les Serpa that controls the council. Mr. McIntyre's candidacy was conceived and orchestrated literally in Surland Development's office.

Prove me wrong!

Dear City Council,

I'm writing in support of appointing and or re-electing Council member Bedolla. He received well over 7,000 votes for the third vacancy and just recently it was agreed upon by all five council members that the third highest vote getter would get the vacant seat. Now it appears the three new members, including the mayor want to revisit that agreement because there do not want him on the council. It seems oddly convenient that the newly elected council want to change their rules because they did not get the person they were hoping for. This is a misuse of power, and extremely self-serving.

Mayor Arriola, Vice Mayor Abercrombie, Council Evans, Council Nygard,

I am writing this email in support of Mr. Mateo Bedolla to be appointed to Tracy's council seat, left vacant by Mayor elect Arriola. Mr Bedolla received the third highest votes in the election. The two top candidates have received more votes and have been sworn in. It is logical and common sense to fill the vacant seat with the next candidate, who has received the third highest votes. I've witnessed bickering from our council members in the past and had have hoped for changes with the new administration. Unfortunately, with only three weeks in office and we are right back to where we were. I urge you to appoint Mr. Bedolla to the vacant seat as soon as possible so the city can go on with the business at hands. Our city cannot go on if you, our elected officials, do not use common sense and logic to guide and lead the great citizens of Tracy.

Dear Tracy City Council,

As reflected in the results of the November 2024 election, Mateo Bedolla earned over 7,000 votes, finishing third in the City Council race. In light of the recent vacancy created by Dan Arriola's transition to Mayor, I urge the Council to respect the voters' will by appointing Mateo Bedolla to the open seat.

The San Joaquin County Grand Jury has, since 2019, recommended appointing the third-place vote-getter to fill vacant council positions as a means of ensuring fairness and honoring the democratic process. With 7,673 votes, Mateo is the clear choice to represent the people of Tracy.

Mateo has demonstrated his commitment to our community by championing key issues such as affordable housing, job creation, and homelessness solutions. His leadership style reflects a strong dedication to transparency, equity, and addressing the needs of residents.

By appointing Mateo to the City Council, the Council will take a meaningful step toward representing the values and priorities of Tracy's voters. Thank you for your thoughtful consideration of this critical decision.

Tracy has woken up, the political motives to appoint Cliff Hudson are not surprising.

I as well as others will make sure and wrap the criminal Cliff Hudson around each of you who try to appoint him over Mateo Bedolla.

We have done our research with more to come from our records requests in multiple states. Hudson has a criminal track record in many states, typical of a criminal to move from state to state.

Cliff Hudson has been a bad apple all over the United States, including Florida, New York, and California.

Hudson has

Written bad checks, and misdemeanor assault/theft.

Been in Jail!

Has had 5 liens 3 are unpaid: a city/county tax lien, a Federal tax lien for \$3,574, another Federal tax lien for \$8,008, and a Federal tax lien for \$9,508.

Who else has 6 judgements against them, 4 of which are judgement releases, the remaining 2 judgements are a \$1,451 Claims Judgement, and a \$808 judgement still active.

Hudson homesteaded his current residence; do we have to wonder why when he owes so much money.

Hudson has 3 foreclosures: 2 in Tracy, and a foreclosure in Florida.

He has cases for bad checks and was convicted of "Theft by Check".

You must appoint Mateo Bedolla, changing of the rules to pick anyone you want is unjustified.

As reflected in the results of the November 2024 election, Mateo Bedolla earned over 7,000 votes, finishing third in the City Council race. In light of the recent vacancy created by Dan Arriola's transition to Mayor, I urge the Council to respect the voters' will by appointing Mateo Bedolla to the open seat.

The San Joaquin County Grand Jury has, since 2019, recommended appointing the third-place vote-getter to fill vacant council positions as a means of ensuring fairness and honoring the democratic process. With 7,673 votes, Mateo is the clear choice to represent the people of Tracy.

Mateo has demonstrated his commitment to our community by championing key issues such as affordable housing, job creation, and homelessness solutions. His leadership style reflects a strong dedication to transparency, equity, and addressing the needs of residents.

By appointing Mateo to the City Council, the Council will take a meaningful step toward representing the values and priorities of Tracy's voters. Thank you for your thoughtful consideration of this critical decision.

Thank you,

Thank you so much for your reply. Your understanding and support means a lot. Unfortunately, due to another commitment, I am not able to attend tonight. I want my voice heard because I know many feel the same. Quite honestly, a lot of people I've spoken with can't even believe any other option is even be considered.

Thank you again!

I totally agree with you. Anything less than appointing the highest vote-getter would be undemocratic. I hope to see you at the demonstration this evening on the steps of City Hall at 6 PM and the meeting that follows at 7 PM.

This email is to show my support for Mateo Bedolla's appointment to the vacant City Council seat. I urge you to do the just and right thing by appointing Mateo, as the number of votes he received from the community, reflect he deserves to be appointed.

To entertain any other option goes against what we, the community of Tracy, voted, and shows a total disregard for the Grand Jury recommendation and doing what is right.

It is imperative that our council hear and listen to the community. Mateo received the next highest number of votes due to his ongoing commitment to Tracy and serving the people. He has never been in it for a photo opportunity. He walks the walk and I know I can count on Mateo to always keep Tracy's best interest in all decisions made.

I am certain his proven record as a council member is what led to him receiving such a high number of votes.

To disregard what the voters chose, is a disgrace.

I urge you to do the right thing, listen to your community, and appoint Mateo Bedolla to the vacant seat. This is an extremely important decision and I am counting on our council to make the right one.

Sincerely,

Good afternoon Councilman Evans,

I normally do not send these type of emails, but when I see an injustice happening within our own city, I must stand up and have my voice heard. I would like this email to go on record for the next upcoming city Council meeting being held in January 2025.

I am absolutely disgusted with our new mayors decision along with the new councilman To make themselves the voice of the people. We the people of Tracy voted, and the grand jury report of San Joaquin County stated that the person with the third highest votes would receive the Open council seat once held by Arrialoa. Why does this new counsel feel that they have the right to take away our votes. The people Of Tracy spoke and that seat belongs to Mateo Bedella.

Please make sure our voices are heard and that we uphold the Recommendation of the grand jury report. Thank you.

Good afternoon councilman Evans, I am absolutely disgusted with the new city Council and our new mayor. What does new council is doing is totally unethical, and their integrity is highly in question. The people who voted in the new city Council are taking away the peoples voices and boats. The new city Council decided in December that they would appoint the vacated seat once held by Arriaola. The new city Council is even going against the grand jury report of San Joaquin County. That states the third highest vote getter would receive the vacated seat. This is not a great way to start off the new city Council terms. I would like this to go on record for the next upcoming council meeting being held in January.
