**CITY OF TRACY  
PARKS & COMMUNITY SERVICES COMMISSION MEETING  
August 7, 2025**

**AGENDA ITEM 6.a**

**REQUEST**

**REVIEW AND ACCEPT CHANGES TO THE 2026 CITY OF TRACY SPORTS FIELD RESERVATION HANDBOOK**

**EXECUTIVE SUMMARY**

As part of an ongoing annual review process, staff has updated the City of Tracy Sports Field Reservation Handbook (Attachment A) for use in the upcoming calendar year and Annual Field Allocation Process. The Parks and Community Services Commission is requested to review the proposed revisions, provide feedback to staff, and accept changes to the 2026 Handbook.

**DISCUSSION**

The policy authority provided in the Tracy Municipal Code 7.16.030 (a) states that the Parks and Recreation Commission has the power to “establish rules and regulations governing the conduct of recreation programs, protection of property and activities of persons in all parks.”

The Sports Field Reservation Handbook establishes the guidelines for staff to allocate City-owned and operated sports fields to applicants on an annual allocation basis. The Handbook designates priority classification groups, in-season priority sports, and the Annual Field Allocation process and schedule, in addition to codifying rules and regulations for sports field rentals.

On June 5, 2025, City Staff presented the proposed 2026 Sports Fields Reservation Handbook to the Parks and Community Services Commission for initial review and feedback. On June 10, 2025, City Staff presented the proposed handbook changes for 2026 during the annual Sports Fields Allocation Meeting with the local sport organizations for their review and feedback. Based off feedback provided by Parks Commission and local sports organizations, some of the proposed updates to the 2026 Handbook includes:

1. Update user fees to align with the Master Fee Schedule approved by the Tracy City Council in May of 2025
2. Discussion to update the tournament allocation and scheduling process
3. Discussion to update the In-Season Priority Schedule
4. Proposing to add new language clarifying maintenance responsibilities and standards
5. Proposing new enhancements to strengthen compliance with field use guidelines for the Measure to Ensure Adherence Policy

Overall, the user groups continue to respond positively to the Sports Fields Handbook, with changes in this year's handbook coming directly from suggestions gathered from user groups and the Parks Commission. During the upcoming year, City staff will continue to host sports-specific feedback meetings, in addition to the annual pre-allocation meetings, to ensure the Handbook meets the needs of both the City and its sports user groups.

**RECOMMENDATION**

That the Parks and Community Services Commission review and accept changes to the 2026 City of Tracy Sports Field Reservation Handbook.

## GENERAL RULES/SCHEDULING

### Hours of Use

Following the Good Neighbor Policy (pg. 20) and respecting residential spaces and the community surrounding sport fields, the following hours of use have been established for all sport fields:

- **Soccer games/ tournaments** may be scheduled Sunday through Saturday from 8:00 am until 10:00 pm. Fields may be accessed at 7:00 am for warm-ups, but games cannot begin until 8:00 am. For tournaments, the last game must begin no later than 9:00 pm and gameplay must end by 10:00 pm.
- **Softball and baseball games/ tournaments** may be scheduled Sunday through Saturday from 9:00 am until 10:00 pm at Tracy Sports Complex and 8:00 am until 10:00 pm at Legacy Fields Sports Complex. Fields may be accessed upon completion of field preparations and approval of City staff. Teams and players may not be on the field at any time during field preparations or maintenance. For tournaments, the last game must begin no later than 9:00 pm and gameplay must end by 10:00 pm.
- **Other sports, games and practices** may be scheduled Sunday through Saturday from 8:00 am until 10:00 pm. Fields may be accessed at 7:00 am for warm-ups, but games cannot begin until 8:00 am

### Allocations & Scheduling

- Fields are initially allocated during the **Annual Field Allocation Process**. Requests for additional use of fields after the Field Allocation period will be addressed on a first-come, first-served basis.
- Only an Authorized Agent listed on the City's field rental account will be allowed to book fields for their affiliated organization or request changes to the organization's permit(s). Organizations are allowed up to five (5) authorized agents. Coaches or other individuals must receive permission in writing from their league representative to book fields for the organization, or under the organization's name.
- Fields shall be assigned based on the **Field Allocation Priority Classification** and the **In-Season Priority Schedule**. During the allocation process, local leagues will only be permitted to allocate fields at Legacy Fields during the **Local League Priority** period (March-May & August-October) and will receive priority to reserve weekdays and weekends. Fields available outside the **Local League Priority** period will be available during the initial allocation process following the order of priority classification once tournaments have been allocated. (See **In Season Priority** on pg. 10 for more information).
- If two or more user groups fall equally within the same classification, the City of Tracy will consider the following factors when allocating fields: percentage of Tracy residents in the organization, size of the organization, number of field hours requested, returning events/ tournaments, and performance history. (See **Live Draft** on pg. 8 for more information).
- During initial allocations, fields will be assigned to organizations by size of rosters as a total percentage of all groups within the classification group, of all available hours and/or fields are at a single complex.
- The City reserves the right to cancel any event as deemed necessary for the safety of all participants and in the best interest of the sports park. Reservations or events that have a history of issues may be required to provide additional security at the expense of the applicant prior to approval.
- **Submittal of an application or a field request in writing does not guarantee that the rental request has been authorized or approved.**

### Tournament Allocations & Scheduling

- Tournaments or events that have been occurring on a specific date or weekend for three (3) consecutive years are considered historical and will be given priority; the dates and tournament rental request must still be submitted in writing during the allocation period. If the tournament or event is cancelled due to rain, air quality, or inclement weather conditions, an alternative date or location may be provided and will not impact the historical significance. If the organization cancels the tournament or event on their own accord, the organization forfeits the historical significance of that tournament or event. Tournaments considered historical and to remain historical, cannot change age categories (youth or adult) or tournament title from prior years.
- For Legacy Fields, in season priority will be given to local teams on the weekdays and weekends during the **Local League Priority** period, while tournaments will be given priority during the **Tournament Priority** period. For Legacy Fields, baseball and softball tournaments will not be given priority from March through May, and soccer tournaments will not be given priority from August through October. Additionally, one ballfield wagon wheel (5 fields) at Legacy Fields Sports Complex will be designated for weekend tournament usage, August-October.
- Tournament Directors will be required to pay the non-refundable application fee and deposit at time of submittal of application. (See **Field Use Fees**, pg. 14) Tournament payments are due in full 30 days prior to the tournament start date and any previous outstanding balances must be paid in full prior to your next approved tournament. If payment is not made in full 30 days prior, the tournament will be cancelled.
- Tournament organizations cannot submit additional dates to accommodate for rain outs.
- If two (2) or more tournament applications are received requesting the same date(s), the application received first determined by the priority classification then timestamp of submission before the application deadline will be prioritized.
- Field Prep request for Tournaments are due on Monday, two weeks prior to tournament.
- All Tournament Directors are required to have a traffic control plan and additional volunteers/staffing for parking. If additional staffing is needed from the City, staffing and parking fees will be charged to the permit.
- Tournament organizers are required to attend at least one (1) orientation with City Staff on a scheduled date prior to their first tournament to review field preparations, game schedules, and other related details.
- Tournament Directors must submit the following items within 30 days prior to their tournament date: a promotional flyer or social media page link and link to register.
- If a tournament application is submitted less than 30 days, all permit fees must be paid at time of application submittal and any previous outstanding balances must be paid in full. Approval is subject to staffing and availability. If the tournament is cancelled less than 14 days prior to the tournament date, tournament directors will be held to the **Cancellation and Refund Policy**.
- Tournament Directors requesting to reserve two (2) wagon wheels (Tracy Sports Complex & Legacy Fields), must submit full payment upon approval. Tournament Directors are not eligible to receive a refund once payment has been submitted, therefore forfeiting the rules outlined in the **Cancellation and Refund Policy, Tournaments & Camps/Clinics, pg. 12**.
- Any issues regarding your tournament must be addressed no later than 30 days after your event. (i.e., permit charge disputes, etc.) Any disputes after the 30 days will remain on the permit and fees will be charged if applicable.

### Facility Use Permits

- Permitted hours of use must include set-up and clean-up time. Setup and clean-up time should not exceed 1-hour.
- A minimum one-hour rental is required per field.
- Rentals on City Holidays are contingent upon staff availability
- The field(s) must be vacated at the time specified in the Facility Use Permit. Users may not access field(s) prior or exceed their permitted rental time. Users that violated their permitted rental time, will be subject to disciplinary measures following the **Measures to Ensure Adherence to Policy**, see page 24.
- Permit holders must have a copy of their Facility Use Permit on hand during each rental (electronic versions are acceptable) and the permit holder must be present onsite during each reservation or designate an Authorized Agent (See **Authorized Agents** pg. 16). Field users without permits may be asked to vacate the field (See **Rules of Conduct** pg.20).
- Permission for activities beyond the scope of normal league play (practices or games) must be requested in writing at least 30 days in advance, and approved activities must be listed on the Facility Use Permit (See **Special Permits & Requests** pg.21).
- Use of Legacy Fields and Tracy Sports Complex is **by permit only**. No drop-in use is permitted.
- The City reserves the right, on a case-by-case basis, to add conditions or modifications to the Facility Use Permit.
- The Facility Use Permit includes all approved days and times. Not all requests can be granted. Please check your permit carefully prior to scheduling practices and games and monitor all field closure impacts.
- Reservations may not be transferred, assigned, or sublet.

## ANNUAL FIELD ALLOCATION PROCESS

Each fall, the City of Tracy initiates its annual sports field allocation process for user groups interested in renting fields for the approaching calendar year. Field Applications can be obtained by contacting the Community Facilities Division at (209) 831-6201, in person at Tracy City Hall, or via email to [sportsfields@cityoftracy.org](mailto:sportsfields@cityoftracy.org).

**Submittal of a Field Application does not guarantee that the rental request(s) has been authorized. Please remember to include map of planned field lining/subdivisions with dimensions for EACH field when requesting to paint fields.**

### Live Draft Allocation Process – Local League/ Private Individuals (practices & games)

1. Organizations will be prioritized using applications that were submitted by the application deadline (See **Allocation & Scheduling**, pg. 5).
2. Organizations will be “capped” on the initial allocation process, only being able to reserve a maximum number of premium field hours based on the prior year’s premium field usage. New or existing organizations requesting premium fields will be given a minimum of 20 hours to allocate if their prior year’s usage is less than the minimum or have never previously reserved premium fields. Organizations are expected to select fields at locations/facilities they reserved in the past unless they are looking to transition to fields that offer different amenities (i.e selecting fields at a complex that has lights where they were at a complex that did not offer lights). Once the initial allocation process has been completed, any open field availability will be allocated on a “first come, first serve” basis.
3. Each organization will be given a scheduled time and date to meet with staff virtually or in-person to discuss/allocate fields. A “One Drive” Excel (or public shareable) document will be used as the initial field scheduler to track all organization’s requests. This Excel document will present “real time” field availability and will aid in the tracking of “capping” field usage. A link to the “One Drive” Excel document will be sent to all organizations prior to each live draft.
4. Virtual/In person meeting/invitations for draft time slots for each organization will be sent 1-week prior to each organizations draft time (based on the contact person/information submitted on their application).
5. **Staff will NOT go beyond the allocated time for each organization.** Organizations that do not finalize allocating fields during their scheduled time, will forfeit their priority during allocations.
6. Individuals renting fields under the umbrella of another organization (I.e., utilizing the organizations insurance and/or non-profit status) and share the same player rosters, are not eligible to participate in the live draft process. Individuals will be able to reserve fields once they become available during “first come, first serve”.
7. After the Live Draft process, staff will send all organizations a “Draft” permit based on the fields allocated during the live draft for review. Organizations are responsible for reviewing and ensuring their permits are accurate (following the draft, but also throughout the season).

In addition, the applicant is responsible for policing the facility and surrounding area during and after use each day to assure the area is kept litter free. The applicant shall forfeit their deposit for any damages or excessive cleanup required.

### **Authorized Agent/League Contact**

An applicant representing an organization renting a City facility, an authorized agent also known as a league contact, is required to provide a letter on letterhead from the agency or organization specifically authorizing the individual to conduct business with the City of Tracy to reserve a facility on the organization's behalf, and signed by the individual listed on the business license, a titled officer, or designated signatory. ### **Sports Field Lighting**

Sports Organizations will be given access (individual usernames and passwords) to the City's Musco Lighting system at the following locations Legacy Fields, Tracy Sports Complex and Veterans Park. Organizations will be responsible for scheduling their own field light use by calling Musco's automated phone system. When a user group calls Musco Lighting Support Services, (877) 347-3319, they will be directed to provide their username and password and then asked for a time to turn the lights on and off for a specific location and sports field. If sports organizations have issues, they can call the Facility Attendant at their facility or on patrol to assist (See **Contact Information** on pg. 4).

At the end of each month City staff will pull the monthly report usage for lights and will charge the user groups appropriately (See **Field Use Fees**, pg. 14 for light fees).

### **Field Lining – Soccer**

All requests to subdivide fields **must** be submitted with the Facility Rental Application, and a diagram of the proposed field subdivision must be included. Soccer user groups have collectively agreed on the following guidelines:

- 9v9 fields must run in the same direction as 11v11 fields
- 7v7 and smaller fields may run in the opposite direction as 11v11 fields

### **Field Preparation Requests – Baseball/Softball**

Requests to have City staff line and/or prep baseball/softball fields for games or tournaments must be received by 12:00 noon on the Monday two-weeks prior to the reservation. Field maintenance personnel are not available unless previously requested. If field maintenance is requested, ample time must be provided between games for servicing of the fields. Staggered start times for games are required to assure that your maintenance needs are met. Participants are not allowed on the fields until all prep work is complete and equipment is removed. Only authorized city staff may perform field preps for any practice/ game/ tournament. Failure to comply with the established guidelines may result in permit violation fee charges and organizations will be held to the **Measures to Ensure Adherence Policy**, pg. 24.

### **Premium Fields vs. Standard Fields for Baseball/Softball Rentals**

Fields are classified as Premium or Standard Fields depending on the level of service and amenities offered at the facility. Premium baseball/softball fields are located at Legacy Fields and Tracy Sports Complex. The following Field Preparations are available at Premium Fields:

- Initial field preparation (prep) including a dragging and watering are performed daily for each field
- Bases are included and set-up for each reservation (if requested)
- City Staff (Facility Attendant) is on site and can be reached through phone (See **Introduction** pg. 3)
- Use of Legacy Fields and Tracy Sports Complex is **by permit only**. No drop-in use is allowed.

Standard Field Rentals for fields such as Clyde Bland, Galli, Tiago, Veterans Park and Ritter Family Ballpark do not include the same level of service as above. Standard fields do include:

- Daily field inspections by maintenance staff to ensure safe play and fields are prepared routinely when in high use
- Bases are available for rentals at Ritter Family Ballpark and Veterans Park upon request and receipt of Deposit for Baseball/Softball Bases (See **Sports Field User Fees** pg. 14).
- City Staff (Facility Attendant - Patrol) is available to assist with issues or questions regarding ballfields or reservations. Renters are encouraged to call the phone number listed on their permit for the Patrol Facility Attendant (See **Introduction** pg. 3)
- At Clyde Bland, Galli, Tiago, and Veterans the infields cannot be watered.

### **Field Maintenance/Closure**

Field conditions are assessed based on both the short-term (Days/Weeks) and the long term (Months/Seasons) impacts to each field's playability. City staff will determine if the fields are open or closed. An annual rest and renovation of fields is scheduled at the Tracy Sports Complex, Plasencia Fields, and Legacy Fields to maintain field sustainability. The City attempts to be flexible in accommodating user groups, but ultimately, the health and safety of the user and the conditions and playability takes priority. This may require the closure of fields or facilities, denial of use of a field, and/or making alternate sites available for use. No user group shall use fields that are closed for renovation or repair.

### **Field Closure During Inclement Weather:**

During inclement weather, a trained sports field City Staff member will conduct a daily inspection of game fields to assess conditions and ensure user safety. The Sports Field Condition Hotline will be updated by 3:00 p.m. on weekdays daily and by 7:00 a.m. on weekends and can be reached at (209) 831-6350. Once updated, the status will remain in effect until the next reassessment the following day. On days with scheduled games or tournaments, maintenance crews will make every effort to prepare the field for safe play. Consideration will be given to all groups to ensure fair and balanced field access. For updates on field closures, please call the **Weather/Field Condition Hotline: (209) 831-6350**. If a field is closed due to weather, credit for field closures will be applied to the organizations account.

### **Turf Management**

To ensure the long-term health of City turf and sports fields, the number of games/hours of use at each facility are limited on a seasonal and weekly basis. Without such limitations, the impact on these facilities can have a negative long-lasting effect on the sports fields. In order to maintain playable fields, fields are limited to no more than 20 hours of field usage per week. In- season field closures may occur if staff determines fields have deteriorated due to wear and tear, or in cases of inclement weather, such as rain or frost. It is the responsibility of all field users to protect the turf from excessive wear and tear. Users should rotate locations of training and equipment, including but not limited to: goals, ladders, cones, pitching practice, etc. Additionally, users shall not use fences, bleachers or other amenities as targets for practicing or warming up.

## City of Tracy Sports Field Reservation Handbook: 2026 Allocation Year

Any event hosting twenty-four (24) or more teams will be required to pay for an additional dumpster to be placed at the sport fields (i.e Tracy Sports Complex, Legacy Fields). The applicant shall forfeit their deposit for any damages or excessive cleanup required.

### **Notice of Non-Use of Field/Releasing Fields**

All teams must engage appropriately with staff and with one another, and not interfere with the use of fields by other user groups. Permit holders are responsible for the conduct of their player, coaches, and guests. Refusal to comply with City staff instructions may result in a directive to vacate the field. These actions will be documented in the renter's file and may result in disciplinary action and/or impact future organization allocation or scheduling requests. Police enforcement will be called upon should any individuals or groups engage in verbal or physical violence.

### **Good Neighbor Policy**

Please arrive quietly and depart in the same manner to avoid disrupting the neighborhood especially after late games. Parking regulations from the Tracy Municipal Code, TMC 3.08 Article 9 are applicable to all Sport Fields. Failure of the renter to communicate and manage site parking may result in relocation of fields, suspension of field use, revocation of permit, and/or suspension of organization from City field use.

Unless the Permit expressly allows it, no overnight parking of vehicles in City parking lots is allowed at any time (this includes RVs, trailers, and other camper vehicles). Individuals or organizations cannot charge or collect revenue for the use of public parking. The south parking lot at the Tracy Sports Complex is for emergency vehicle access and use only. Please remind all of your league participants to use the facilities prior to practice or games, as the restrooms are unlocked at the permitted start time. If restrooms are not available, the individual or organization renting the park is responsible for supplying and maintaining portable toilets for participants and attendees. The City of Tracy requires one portable toilet for every 100 attendees; ADA-accessibility required (staff will advise on required ratios). Contact the Community Facilities Division prior to the delivery of portable toilets to coordinate drop-off with Parks Maintenance staff. Portable toilets must be placed at least 20 feet away from all storm drains and streets and shall never be situated on top of storm drain inlets or on a public street. Restocking and cleaning the portable toilets will be the renter's responsibility.

### Vehicle Access

No vehicles may be driven on sports fields or parks without a City-issued Vehicle Access Permit, including golf cart or mule-type vehicles. A request must be submitted in writing to the Community Facilities Division, and upon payment of per-vehicle fee and staff approval, specific conditions of vehicle access will be added to your permit which includes an

additional insurance policy (motorcycle/LSV policy) to drive a golf cart and/or mule-type vehicle onsite. (See **Insurance**, pg. 10-11) Additionally, it is unlawful to ride or drive any horse or other animal or any motorized vehicle, cycle, go- cart or scooter other than on the roads or drives provided for such purpose (TMC 4.16.180(l)).

### **Admission Charges**

Organizations must indicate on their application their intent to charge admission (additional Gate Fee applies). Failure to receive approval from the City to charge admissions will result in the cancellation of the Facility Use Permit, and/or rental penalties. Because Plasencia Fields and the Tracy Sports Complex are public facilities, only participants and spectators can be asked to pay. Individuals using the parks for exercise or access to other areas may not be forced to pay. For soccer and baseball games/tournaments at Tracy Sports Complex, Legacy Fields, and Plasencia Fields, tournaments must reserve the entire complex specific to that sport or the entire set of fields (i.e., Legacy soccer fields 1-4 and/or 5-8, Legacy baseball fields Western #1-5 and/or Eastern #1-5) to be approved to charge an admission fee. Permit holders at Tracy Sports Complex and Legacy ball fields are required to enforce the rules and regulations by posting an organization representative at each entry gate.

### **First Aid/Medical Station**

All tournaments are required to have a minimum of one first aid station(s) at each site with first aid supplies and certified medical person(s). The number of first aid staff you need depends on the tournament and the number of participants. If you do not have volunteers for this, you may hire EMS event support.

### **Meeting Room (Tracy Sports Complex)**

The Sports Complex Meeting Room is located on the east end of the soccer fields. Although the Meeting Room is not included in the rental fee for games/ tournaments, it can be rented separately to be used for purposes such as official's headquarters, or other games/ tournament functions. Parking is not permitted on the sidewalk adjacent to the Meeting Room for any reason, including loading and unloading equipment and supplies.

### **Picnic Area, Tracy Sports Complex/Legacy Fields**

Tournament hosts are required to patrol and maintain cleanliness at the picnic area at Tracy Sports Complex and Legacy Fields.

## **MEASURES TO ENSURE ADHERENCE TO POLICY**

The permit holder is responsible for any and all conduct by players, parents, coaches, and visitors, both on and off the field, while on City property.

The principle objective of any disciplinary measures shall be to improve adherence to the policies in this Handbook that allow the City to provide safe, well-maintained and aesthetically appealing fields. The City upholds and maintains a progressive disciplinary policy which may include some or all of the following steps. City staff will duly consider an organization's efforts to correct violations when applying disciplinary measures. If an organization has permits for youth and adults, the specific permit in violation of the policies would be in jeopardy and would not affect other permits within the organization.

**First Violation:** Verbal warning by Facility Attendant to the organization violating the policy.

- Facility Attendant will track the interaction with the organization by noting it on the Facility Attendant Log and Tracking Sheet.

**Second Violation:** Written warning by Community Facilities Staff to correct and update the organization's permit. Staff will issue the No Show Penalty Fee and/or Permit Violation Fee (See **Sport Field User Fees**, pg. 14).

**Third Violation:** Continual violations will result in and not limited to:

- Additional No Show Penalties and/or Permit Violation Fee issued
- Suspension of rental privileges for one month
- Loss of priority classification for the upcoming allocation period(s)
- Suspension of rental privileges for three months
- Loss of priority classification for the upcoming calendar year
- Permanent suspension

Refund of field rental fees shall follow the City's field rental cancellation policy. If a renter and/or organization are found to be utilizing sports fields following the cancellation of their permit, participants will be asked to vacate the fields. Failure to do so will prompt police and further disciplinary action.

Should fields become released due to the violations listed above, user groups shall be notified by email, and fields shall be made available on a first-come, first-served basis following an application period.

### **Appealing Denial or Cancellation of Permit**

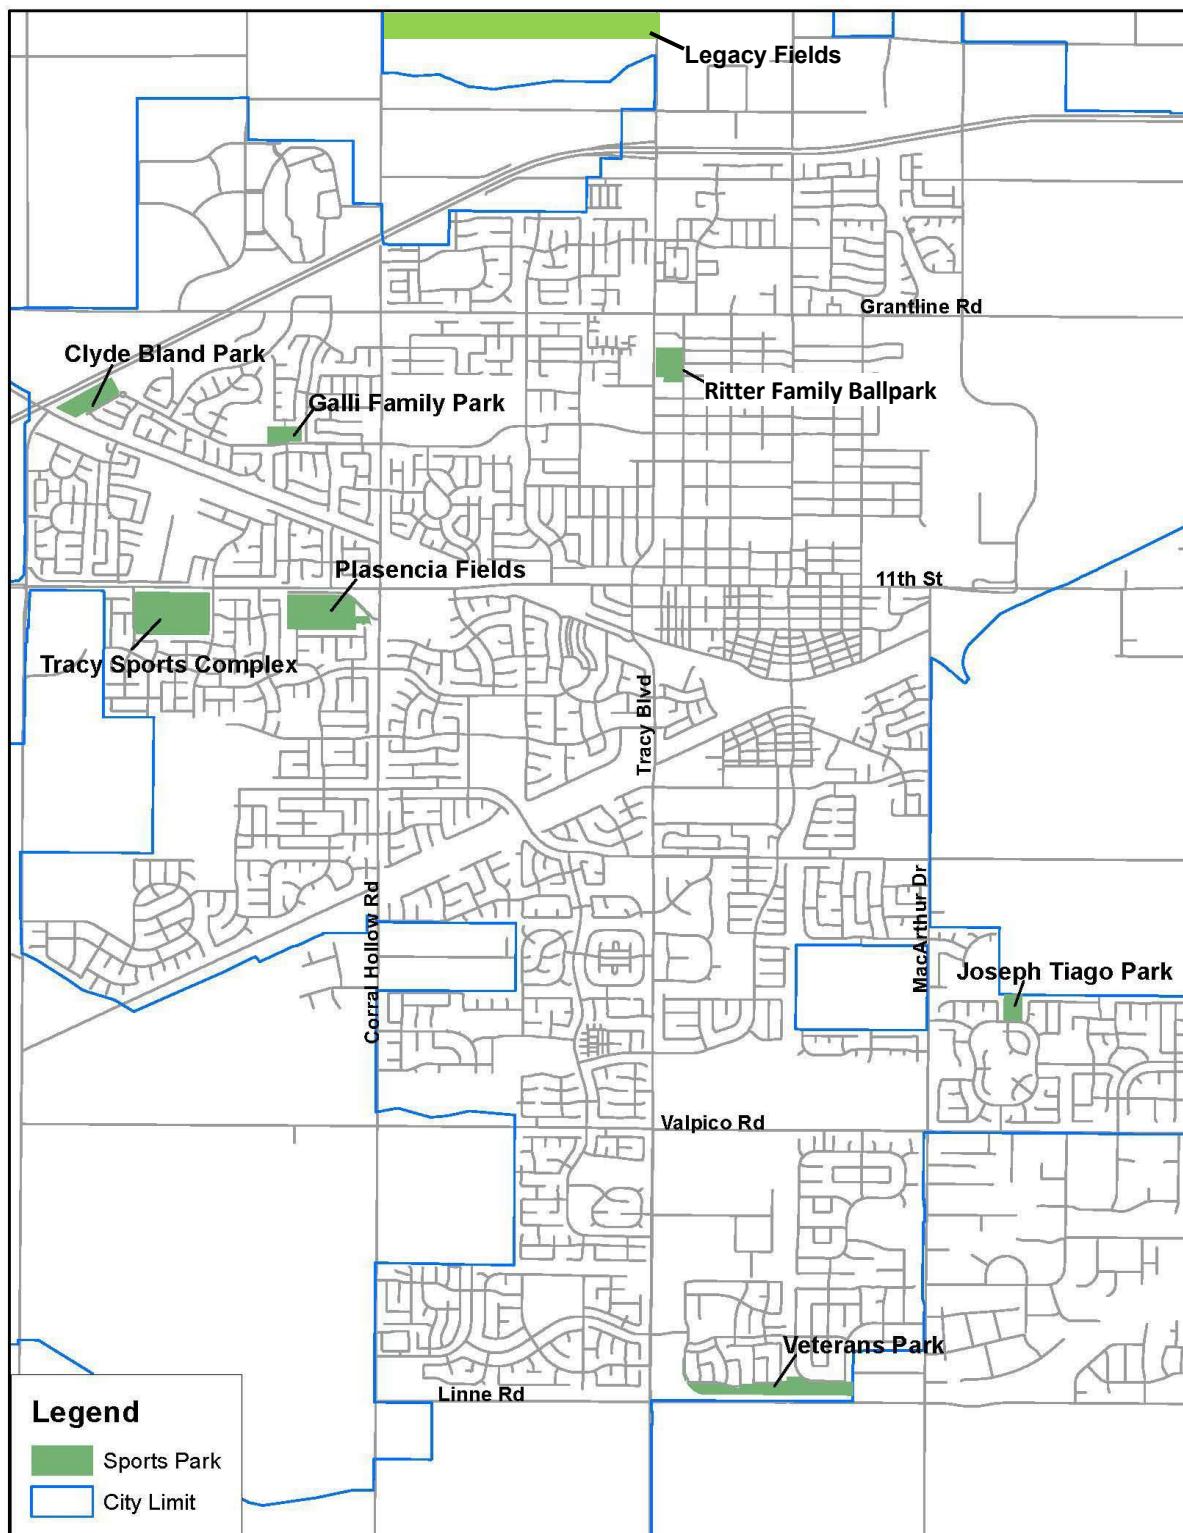

Applicants shall have the right to appeal to the Parks and Community Services Commission a permit denial, permit condition, the Director's refusal to waive the filing deadline, or the Director's decision pertaining to fees or insurance coverage. Notice of appeal shall be filed with the Director stating the grounds for appeal.

The appeal must be filed no later than noon on Thursday, a week preceding the Parks and Community Services Commission meeting, to be placed on the next regular meeting's agenda. Regular meetings of the Parks and Community Services Commission are scheduled on the first Thursday of each month, at 7:00 pm, City Hall Council Chambers. The decision of the Parks and Community Services Commission may be appealed to the City Council which has final authority.

**AGENDA ITEM 7.a**

**REQUEST**

**REVIEW THE APPLICATIONS RECEIVED FROM THE PUBLIC NAMING PROCESS  
FOR THE MULTI-GENERATIONAL RECREATION CENTER AND PRIORITIZE THE  
TOP THREE (3) NAMES FOR CONSIDERATION BY THE CITY COUNCIL**

**BACKGROUND**

On March 6, 2018, the City Council approved the Multi-Generational Recreation Center (MRGC) CIP 78178 as a major amenity, to be funded by Measure V sales tax revenue, that would provide a space to serve a broad spectrum of the City's demographics, including families, teens, seniors, and commuters. On September 17, 2024, a groundbreaking ceremony was held for the new 61,300-square-foot Multi-Generational Recreation Center.

Procedures to name a new building go through the formal naming process since the City Council amended Council Policy D-2, Naming Public Buildings, Parks and Facilities on February 2, 2021 (Resolution No. 2021-013). Staff is bringing this item to the Commission as per Chapter 7.16 of the City of Tracy Municipal Code, Parks and Community Services Commission, 7.16.030 Powers and Duties (e) advise the Council on the subject of recreation and facility master planning and development.

**DISCUSSION**

On May 1, 2025, the Parks, Recreation and Community Services department initiated the solicitation of names for the new Multi-Generational Recreation Center in the Tracy Press, on social media, and an email went out to stakeholders and community groups which ran for a period of 30 days. The Parks, Recreation and Community Services department received a total of 23 applications, 16 of which were complete and 7 incomplete. There was a total of 17 recommended names.

Staff provided a few options, that clearly reflect the facility's recreational purpose while offering a memorable, brandable name for both internal and public use. This naming approach aligns with best practices seen in other civic and campus centers (e.g., The CORE in Elk Grove; The Wave in Dublin; ARC at UC Irvine; Generations Center in Lathrop; Centennial Recreation Center in Morgan Hill); and tactfully highlights the facility's unique amenities—enhancing its identity and supporting the City's broader goals for inclusive, multi-generational recreation.

Staff is asking the Commission to review the applications received from the public naming process for the new Multi-Generational Recreation Center and prioritize the top three (3) names for consideration by the City Council. A future agenda item will be taken to the City Council where they will ultimately decide the final name of the new recreation center.

**FISCAL IMPACT**

There is no fiscal impact to the General Fund for this item at this time.

**RECOMMENDATION**

Staff recommends the Commission review the applications received from the public naming process for the Multi-Generational Recreation Center and prioritize the top three (3) names for consideration by the City Council.

Evelyn Tolbert was a Tracy City Council member for 12 years.

She attended and was on several committees all while serving as a full-time council member. Even starting her own campaign to get Senior Citizens to use the Lolly Hansen Senior Center and to utilize the lunch program.

Which still flourishes today. She formed two nonprofit groups.

She wrote a play about the city of Tracy called "Tracy, Our Town USA"

Evelyn was instrumental in honoring Black Americans who came to Tracy back in the 1900's. Even so far as to having the placement of those American names on a walkway in downtown Tracy.

She previously served as a Tracy Planning Commissioner, on the Board of Directors for the Tracy Chamber of Commerce, and as a Trustee for Sutter Community Hospital. Throughout her civic service, Evelyn remained active in the community and founded the Tracy Performing Arts Foundation and the Tracy Women's Forum Association.

Parks & Recreation Department  
Attn: Parks & Recreation Director  
333 Civic Center Plaza  
Tracy, CA 95376

Dear Staff of the City of Tracy Parks and Recreation Department,

I would like to submit a nomination for a name for the Multigenerational Center being built at El Pescadero park. One that recognizes not only a legacy of leadership, but a life devoted to service, compassion, and resilience. I would like to put forth the name **Joan Sparks** for your consideration in naming the new Multigenerational Center in Tracy.

Joan Marie Sparks was born in 1927 in San Francisco, but it was here, in Tracy, that she made her most enduring mark. As a prominent figure in our city's history — and one of the few women to have served as mayor, from 1983 to 1984 — Joan Sparks broke barriers, not for glory, but in the sincere pursuit of improving lives.

Throughout her time in Tracy, Joan worked tirelessly to uplift those who were often overlooked. She championed the needs of the elderly, the disabled, and refugee children from Vietnam. She sought not only to meet basic needs, but to build systems of dignity and mobility — notably spearheading a transportation initiative that would serve our most vulnerable neighbors. Even when she faced intense scrutiny during her time as Chairman of the Larch-Clover Center Board, Joan did not waver in her conviction. She partnered with Good Samaritan to bring her vision of accessible transportation to life — a choice that, while controversial at the time, has since proven to be one of compassion and foresight.

Joan Sparks also worked to improve our local food bank, fostered community engagement, and promoted transparency in government. She made it a priority that all voices — from every neighborhood and background — were not just heard, but valued. Her leadership laid the foundation for programs that continue to benefit Tracy to this day.

As we plan for the future with the Multigenerational Center, it is only fitting that we anchor it with a name that reflects the values of inclusivity, determination, and community service. Naming this center after Joan Sparks is more than a tribute to her — it is a reminder to every child, every senior, every family that walks through its doors, that their city honors those who serve selflessly and lead boldly.

In recent years, we've made strides to better recognize the women who have shaped our city. Let us continue that progress today. Let us remember Joan Sparks — not only for the office she held, but for the lives she touched.

Thank you.

Tracy, CA 95376

To the Honorable Members of the City Council and Naming Committee,

I am writing to formally nominate Brent Ives for the naming of the new Multi-Generational Recreation Center in Tracy. This nomination recognizes a lifetime of dedicated service and unwavering commitment to our community.

Brent has devoted decades of his life to the betterment of Tracy through his service as both a City Council Member and as Mayor. His leadership, vision, and tireless efforts have significantly contributed to the growth, inclusivity, and vitality of our city. Whether championing youth programs, supporting infrastructure development, or advocating for community unity, he has left a lasting legacy that touches every generation of residents.

This legacy extends beyond public service; it is deeply rooted in family and tradition. Multiple generations of Brent's family have called Tracy home, continuing to live, work, and raise families here. Their presence is a testament to the enduring values of community, service, and belonging that he embodies.

Naming the Multi-Generational Recreation Center after Brent would be a fitting tribute to a man whose contributions have spanned generations and continue to inspire civic pride and participation.

Thank you for your consideration of this nomination. I am confident that honoring Brent Ives in this way will reflect the respect and gratitude of our entire community.

Sincerely,

Tony & Jessica Ornelas

## **Recommendation to Name the New Tracy Multi-Generational Recreation Center in Honor of Darlene Quinn**

Darlene Quinn exemplifies the spirit of service, leadership, and compassion that the City of Tracy seeks to honor through the naming of public facilities. Her extensive and voluntary involvement in community life, her local impact, and her legacy of kindness and inclusivity make her an ideal namesake for the new Multi-Generational Recreation Center.

Darlene's commitment to the Tracy community spans decades, beginning in earnest after her retirement from a successful banking career. In 1999, she began volunteering at Tracy Interfaith Ministries, quickly recognizing needs and stepping into the role of Executive Director. Under her leadership, she initiated and championed a major fundraising effort that resulted in the construction of a new facility located in Pescadero Park—a vital resource that continues to serve Tracy's most vulnerable residents with food. This effort not only strengthened social services in the community but also earned Tracy Interfaith Ministries the honor of Non-Profit of the Year. The following year, Darlene was named Woman of the Year, reflecting the deep appreciation and recognition from the Tracy community for her efforts. It should also be noted that for the 18 years that Darlene served as the Executive Director, she was never paid for any of her work.

Even after resigning in 2018, Darlene never stopped giving. She remained involved with Interfaith Ministries, supporting their mission and continuing to touch lives through her presence and encouragement. At Brookdale Retirement Home, she extended her leadership by serving as Chair of the Residents Council and as Ambassador to new residents. Known for her warm smile and extraordinary memory for names, Darlene created a sense of belonging for everyone she met. Her service was always voluntary and motivated by genuine care—never simply a function of employment.

Darlene's legacy embodies the values that the new Multi-Generational Recreation Center will uphold: compassion, inclusivity, community service, and multi-generational support. Naming the center after Darlene Quinn would not only honor her lifetime of service but also inspire future generations to follow in her footsteps.

Lastly, it only seems appropriate to name the new facility in her honor, especially given that it is being built on land adjacent to Tracy Interfaith Ministries—the very organization where Darlene poured so much of her heart and energy into serving the community.

In 1974, Marvin Rothschild began teaching at Tracy High School. He taught business, history, and English classes focusing mainly on retail merchandizing. The Student Store was his pride and joy. Marvin even took students to wholesale venues and fashion shows in San Francisco to give them the full experience. He coached Track and Field and Cross Country developing some outstanding athletes. Marvin felt the girls were not given enough opportunities to compete, so he started Tracy High's own invitational Track Meet that ran every April. In his later years of teaching and coaching he moved to West High. After retiring in 1999 Marvin taught night classes in history and economics.

Marvin was very committed to his community. He served on the Elementary School Board, the Downtown improvement District, the Parish Council, and several other ministries of St. Bernard's Church, and he actively supported and campaigned for a variety of political candidates. You may also remember his toy store, Tattletails in downtown Tracy. He was into "STEM" toys before it became popular. The project nearest and dearest to Marvin's heart was the Homeless Coalition of Tracy. He helped scores of people find shelter, started a nightly dinner program with the help of various churches in town, and was instrumental in opening Emerson House. Marvin's projects continue today.

Above all, Marvin was a family man. He showered his children, grandchildren and great-grandchildren with love, attention, and encouragement.

Naming the Multi-Gen Park after Marvin Rothschild would honor a man who gave so much to our great Tracy community.

### **Purpose And Reasoning For My Nomination**

I am nominating Dr. Nancy D. Young's name to be placed on PUBLIC FACILITY BUILDING location MULTI-GENERATIONAL RECREATION CENTER (MGRC).

If I only have a moment of your time as you are reading this, it is imperative that you capture my sentiments on the importance of naming the MGRC after Dr. Nancy D. Young. Seeing her name on this building would be an honor to the first female and black Mayor of our City. It would be the physical manifestation of what hard work and dedication can reward you with if you believe in the work you do. It will show little boys and girls what is possible for someone who is a person of color or someone who looks different or comes from a different background than those around them. It would be a long-lasting record of recognizing diversity.

I have always been a personal witness to her sixteen (16) plus years of service in the city of Tracy. Beginning with her participation in city politics by attending City Hall and the regular Council Meetings. When she decided to run for the council, she was off and running from there. Please see Dr. Young's civic resume (attached and titled "Nancy Young Civic Resume"). Within her resume, she lists her opening statement, her elected/appointed experience, her civic/nonprofit experience, and city/external boards experience. This non-exhaustive resume also includes her volunteer work along with events/programs & accomplishments, her business/work experience, awards and education.

After reviewing her resume, it should be perfectly clear as to why Dr. Young has earned the honor of having the MGRC named after her. If you are not able to review her resume, please allow me to share a few highlights that I believe should be brought to the forefront. Her civic/nonprofit experience involves her commitment to well over 10 organizations and nonprofits covering over 29 years of partnership and leadership particularly her experience with Senior advocacy connected with Tracy Golden Agers and Tracy Senior Association. Her city/external boards include over 20 boards she has either been elected to or assigned to sit on over the past 12 years. Her volunteer work has spread over the last 15 years for the city of Tracy ranging from Academic Decathlon Coach at West High to volunteering to plant trees for Tracy Tree Foundation Day. Her events/programs/accomplishments range from working hard to pass Measure V, supporting Youth support expansions, bridging the community together via Tracy Connects, proposing environmental sustainability commission, homelessness ad hoc for the city and financial sustainability ad hoc for the city for the last decade. It should be mentioned that Tracy Connects has successfully been an intricate part of Tracy for the last 5 years. Tracy Connects was an event created by Dr. Young through the Tracy Chamber of Commerce, but now as of this year, its 5<sup>th</sup> year, it continues through her nonprofit (The Young Connects) to ensure Tracy is connected to all the proper resources available to them. Related to her awards, she has been recognized with over 13 awards for her outstanding

leadership, partnership and community advocacy ranging from a Susan B Anthony award, to her US Congressional Medal for Service in the Community for Youth, US Congressman Jeff Denham, 10<sup>th</sup> District, to her Inaugural Female Adult Mentor of the year with Sow a Seed Foundation, to the Esther Award for her spiritual leadership in her community and lastly awards and recognition as a best selling author for books ranging from spiritual guidance to leadership in the workforce and community. Another honorable mention is her leading the Student Discovery Program at Kimball High School from 2010-2020.

Dr. Young was and remains a strong candidate and advocate for this honor. Dr. Young is the first elected Black Female Mayor of Tracy, Ca. Despite the many challenges and attacks that she and her family have endured, she remained and continues to remain focused and committed to making sure the City of Tracy's profile is elevated on a broader stage and brings visibility and well-deserved attention to this great city.

Although this is not a donated benefactor, Dr. Nancy Young was intricately responsible for championing Measure V, which is the main source for the building of this recreational facility. She has been diligent in getting the MGRC built for generations to come. Her foresight, insight and dedication has led us to the moment we can now say the MGRC is now established and a reality.

Based upon your policy for naming MGRC, Dr. Nancy D Young is more than qualified to be nominated and comply within your policies of this specific site. You may have many nominations, but the nominations fall short of meeting all requirements to be named on the MGRC. I have attached a document titled "Policy Naming with comments" that will further prove the historical relevance naming MGRC after Dr. Young. Naming the MGRC after Dr. Nancy Young would complete the historical context for that area- the park itself, El Pescadero pays homage to the Pescadero Ranches that were originally located north of Grant Line Blvd., the school adjacent to the MGRC location is named North School which represents the most northern part of Tracy and naming the facility after Dr. Young, the first black female Mayor would represent the areas where the black community historically settled upon (Larch Rd. and Clover Road). This would complete the fullness of our historical context and address the systematically deleted parts of our city's history.

Dr. Young has extensively travelled thousands of miles, attended every conference, seminar, workshops, etc. that enabled the city of Tracy to receive grants and support for the greater good, including jobs and ultimately promoting the approval and building of MGRC. There is a long record of Dr. Young going above and beyond her call of duty to pursue every opportunity to make Tracy a great city and community for all residents. She has always kept Family and business growth as her nucleus when working and fighting for Tracy.

Now that you have a better perspective of Nancy from a political and professional standpoint, allow me to bring you in a little closer to Nancy, my daughter on a personal note. I have known Nancy her entire life. I have witnessed the minutes, hours, days, months and years that Nancy has sacrificed for the greater good of Tracy. We have experienced the celebrations and holidays missed with Nancy in the name of her going to the furthest extent to champion for Tracy. She has gone above the call of political leadership to work tirelessly to benefit the city of Tracy. Her passion for community has come at a price and sometimes fell at the expense of family time. She has always cared about helping elevate the voices in her community and knew despite her sacrificing time to be with us, it would be for the greater good of her city. But she always thought her hard work would be a reflection to little girls and boys who may not have seen a person of color making a difference in the community. They may not know that it could be done for someone that looks like them or looks like someone they love. Her name on the MGRC would be an honor and a constant reminder to everyone in Tracy and abroad to physically see what possibilities can be if you just believe in what you are doing. Seeing Dr. Nancy D. Young's name on the MGRC would be a reminder of what dreams and dedication can manifest.

I have also attached a document titled "Petition for naming MGRC after Dr. Nancy D Young" that lists supporters (personal family and friends) of Dr. Young's nomination.

Thank you for your time and attention to my nomination.

**Naming Public Buildings, Parks and Recreation Facilities Policy Number: D- 2 Amended by resolution  
Date: 2/ 2/ 21**

**DEFINITIONS:**

1. "Public Buildings" are City -owned facilities that house employees or are otherwise used to conduct City business. Buildings may include, but are not limited to, the Civic Center, City Council Chambers, and Police facility. This also includes "Support Facilities" that are City -owned facilities that are used to support field operations. Support facilities may include, but are not limited to, the corporation yard and pump stations.
2. **" Parks & Recreation Facilities" are all City parks, community buildings and grounds, athletic facilities, open space areas and other grounds and facilities owned or operated by the City for park, recreation or open space purposes.**

**1. When named for an individual family or person, strong consideration should be given to:**

- a. The level of involvement and commitment to the Tracy community over a span of years that are sufficient for accomplishments and contributions to have taken place; **- Dr. Nancy Young has been dedicated to the Tracy community and has been actively and intricately involved for the past 15 plus years. This extends beyond her civic, elected duties for the past 12 years. Prior to her elected to Tracy City Council in 2012, having only moved to Tracy in 2006, she attentively attended council meetings from 2008-2012. In 2007, she started a youth mentoring program (Living on Purpose) and ran it until 2020, helping numerous youth go on to college. She and her husband relocated their church from Fremont to Tracy in 2008 and began working in the community in ministry. Since 2010 she joined numerous civic organizations to which she is still an active member, including: 1. Tracy Kiwanis, of which she was the first female president in 2013 and remains on the Board of Directors. Through which she also founded and was the Key Club Advisor for Mountain House High for 4 years. 2. Tracy African American Association to which she's served as treasurer (4 years), Juneteenth Chair (2 years), and asst Education Chair (6 years). 3. The Tracy Golden Agers, beginning as a senior advocate until old enough to officially join the group. 4. The Boys and Girls Club Board of Directors 2011-2021. 2010 to current, she's served as Advisory Board to Sow a Seed Community Foundation. From 2010-2020 she led the Student discovery Program (mentoring all sophomores at Kimball High). See her civic resume for more activities.**

- b. Individuals or families who have been involved in many facets of the community such as through service clubs, civic organizations, school community, multi -cultural events and organizations, elected/appointed positions, military service, church community and non- profit groups; the nature of their involvement should be beyond that done in the normal course of their employment (i. e., voluntary);

**See above and Civic resume. Plus I'd like to highlight the Annual Tracy Connects Day that she founded in 2021, led originally through the Tracy Chamber of Commerce, but now through her own non-profit began once she left elected office, "The Young Connects". This is the 5<sup>th</sup> Annual to be held Sept 6, 2025 at Lincoln Park. Through her efforts and the team she's chaired, many nonprofits and our community has benefited from her vision and focus.**

In 2021, the focus on homelessness awarded TCCC with a \$10,000.00 donation which helped them take over the running the showers that had been ran by the city of Tracy.

In 2022, focus was on “Restore Learning Loss” as many of Tracy’s youth have a gap in learning due to Covid-19 restrictions and loss of days at school. The three non-profit beneficiaries this year were: Tracy Historical Museum, Tracy Police Activity League (PAL), and The Grand Foundation which received awards based on proposed projects totaling \$21,500.

In 2023, focus was on “Behavioral and Mental Health” as we brought attention to this often misunderstood, hidden, yet needed focus to our community. The three non-profit beneficiaries this year were: Tracy Golden Agers, Sow a Seed Community Foundation, and A-Z Psychotherapy who received awards totaling \$7,500.

In 2024, focus was on “Emotional Wellness: Self-Care” as we bring attention to the need for self-care. While many may turn their attention to helping others; their own health often suffers. The four non-profits/organizations highlighted this year were: Community Medical Centers (Tracy), Happy Healthy Bright Kids, West High Airforce JROTC, and Department of Prevention Services (Homeless and Foster Youth Support) who will received awards and support based on their projects. We donated a total of \$8,400.

c. The local significance and relationship of this individual or family to the City of Tracy, or to the parks and recreation systems or programs. Dr. Nancy Young, while being the first generation Tracy-ite, all four children graduated from West High, and now her grandson is attending Tracy schools. She is the start of a third generation deep foundation. Of her 19 years in Tracy, she has dedicated 16 of those years to the government and leadership of this community, creating programs, events, and businesses to propel the future of Tracy.

2. Public building, park and facility names should reflect both the current and past heritage and historical significance of the community that is now serviced. Strong consideration should be given to:

a. Maintaining names that represent the current and past cultural diversity of the community.

The park itself is El Pescadero that pays homage to the history of the past with the Pescadero Ranches that were originally located north of Grant Line Blvd. This is history forward as this troubled part of Tracy, most recently housing many of the homeless in the park, will be revitalized and the new proposed name of the first African American and first elected female will represent a new group of people who live in Tracy, plus is closest to the prominent area wherein Blacks lived a bit more north on Clover and Larch Roads which are still in the county portion of Tracy.

b. Any relevant California history that is part of the Tracy community, such as the period covered by the Spanish land grants, Native American tribal history, etc. **N/A**

3. Park names should reflect the geographical significance of the park site's topography or other natural amenities that exist in or near the park property. Strong consideration should be given to: **N/A**

a. Vistas and view corridors.

- b. Native plants or trees
- c. Adjacencies to creeks, streams, open space, hills, etc.

4. Public building, park and facility names should incorporate the functionality of the building, park or facility by simply stating its purpose without further description for example the " John Smith Community Center"), especially, when a specialized facility may be a part of the park such as sports fields, etc. Special features for the park should be considered in the park name.

**Dr. Nancy Young Recreation Center – See info on my quest for a Gym/Recreation**

5. Consideration should also be given to public building, park and facility names that reflect the geographic location or adjacencies to other City facilities or schools in order to avoid confusion about the geographic location of the building. – **The closest school adjacent to the park and new facility is North School, focused on the north side of Tracy. As noted before Pescadero Ranches was northern Tracy and so was the area years later along Clover and Larch Road wherein was the Black community of Tracy.**

6. If a public building, park or facility improvement is acquired or constructed by means of a substantial gift, financial contribution or financial donation by an individual, family or corporation, consideration should be given to recognizing the contribution by incorporating the benefactor's name into the facility name. **Although this is not a donated benefactor, Dr. Nancy Young was intricately responsible for championing Measure V which is the main source for the building of this recreational facility.**

7. Rooms within public buildings may be named for individuals who have made exceptional contributions to the community such as: **N/A**

- a. The individual must have made a significant contribution to the community which resulted in the improved well- being of the citizens of Tracy.
- b. The individual must have been involved in Tracy community affairs over a span of years that are sufficient for accomplishments and contributions to have taken place.
- c. Individuals or families who have been involved in many facets of the community such as through service clubs, civic organizations, school community, multicultural events and organizations, elected/appointed positions, military service, church community and non- profit groups; the nature of their involvement should be beyond that done in the normal course of their employment ( i. e., voluntary).

8. If a public building that has previously been named is proposed to have its function be moved, or is proposed for relocation, or demolition, or is destroyed through a natural disaster or other act, the City Council shall be provided an opportunity to name the replacement building. – **N/A**

Soyeb Palya is an inspiring Indian-American resident of Tracy whose life journey is a true testament to resilience, determination, and community service. Born in India, Soyeb and his family endured great hardship when their home was destroyed during violent unrest in their village. Forced to flee for safety, his father applied for immigration to the United States, seeking a better future for his children.

Arriving in San Francisco, Soyeb began rebuilding his life from the ground up. He attended Potrero Hill Middle School, where he distinguished himself as an honor roll student, and later graduated from a local high school, where he also played football. Committed to public service early on, Soyeb worked as an intern for four years with the San Francisco Department of Public Works while pursuing his studies. He went on to earn a Bachelor of Science degree in Business Administration from San Francisco State University—becoming the first in his family to graduate from a U.S. university.

In 2020, Soyeb moved to the City of Tracy and quickly became engaged in improving the local community. He was involved in the early construction efforts for the new Tracy Hills school in collaboration with the Jefferson School District. His dedication to education and civic involvement led to his election in 2022 as a board member of the Jefferson School District, where he is now proudly serving a four-year term.

Soyeb's life story—rising from adversity to a life of service—is a powerful reminder of what can be achieved through perseverance, humility, and hard work. His continued commitment to bettering the lives of others makes him a role model for our youth and a valuable asset to our city.

Naming a park or public space after Soyeb Palya would honor not just one man's extraordinary journey, but also the values he represents: resilience, service, and the enduring spirit of the American dream.

**NOMINATION FOR NAMING  
PUBLIC BUILDINGS, PARKS, AND FACILITIES**

The Tracy Golden Agers, is a diverse and active non-profit organization in Tracy for over 20 years; with nearly 100 members. The Golden Agers have participated and contributed to the Tracy community in multiple ways, Senior outreach, Senior education and outreach to the Tracy homeless community. It is in the spirit of civic mindedness that we have decided to participate in the nomination process for the Multi-Generational Recreation Center (MGRC).

In doing our research we have read the standard procedures and guidelines for the naming of Public Buildings, Parks and Recreational facilities. Under "Consideration for Names" it lists some factors that should be given strong consideration, some of them are:

- The level of involvement and commitment to the Tracy community over a span of years
- Individuals who have been involved in many facets of the community.
- The local significance and relationship of this individual to the City of Tracy.
- An individual that reflects the current and past heritage and historical significance of the community.
- Names that represent the current and past cultural diversity of the community.

At this time in our current cultural and political environment, Tracy Golden Agers believes there is no better time than now to take the bold statement of naming the Multi-Generational Recreation Center (MGRC):

**Dr. Nancy D. Young Recreational Center**

We believe that few if any individuals meet as many of the qualifications for this honor as does the First African American Mayor and the first elected female Mayor. These two accomplishments could be enough for consideration to inspire the youth of Tracy for decades to come, however in addition to Dr. Young's 12 years of service as a council

member and mayor; there is her history of commitment to the Multi-generational facets of the Tracy community: Living on Purpose, Student Discovery Program, Kiwanis Key Club Advisor, Boys and Girls Club, Sow a Seed Community Foundation, her membership and advocacy in the Golden Agers, a founding member of the Tracy Senior Association, Member of the Tracy African American Association, and Founder of Tracy Connects.

Dr. Young as Mayor held a Mayors Ball to Raise Funds for the Tracy Leaders Wall in the foyer of Tracy City Hall. She proposed the Homeless Ad Hoc committee for the city which resulted in opening the first homeless shelter in 2022. ## MEMORANDUM

Date: May 14, 2025  
To: City Council and the Parks and Community Services Commission  
From: Parks, Recreation & Community Services Department  
**Subject: Justification for Naming the Multi-Generational Recreation Center “The TRAC”  
(Tracy Recreation Activity Center)**

---

### Purpose

The purpose of this memorandum is to formally recommend the naming of the City of Tracy's new Multi-Generational Recreation Center as **“The TRAC” (Tracy Recreation Activity Center)**. This recommendation is submitted by the Parks, Recreation & Community Services Department, the project developer, and is based on a comprehensive evaluation of naming criteria outlined in **Council Policy D-2**.

---

### Justification

#### 1. Functionality, Landmark Identity and Alignment with Community Values

In accordance with Section 4 of the naming policy, “The TRAC” (Tracy Recreation Activity Center) clearly communicates the function of the facility—recreation and activities—while providing a name that is memorable, easy to use, and brandable for both internal and public-facing purposes. Like other successful civic and campus recreation centers that use acronyms (e.g., The CORE in Sacramento; CRC in Temecula; ARC at UC Irvine; SRC at UC Riverside), this naming approach reflects a proven standard for creating strong, recognizable facility identities.

Additionally, “The TRAC” subtly references the center’s most distinctive feature—an indoor running track, the first of its kind open to the public in Tracy—thereby enhancing the facility’s branding and reinforcing a key element of its design and function. The acronym further supports the City’s broader goals for its parks and recreation system by embracing inclusive, multigenerational participation. These principles are echoed throughout the Citywide Parks, Recreation & Trails Master Plan, which emphasizes the importance of equitable access, accessibility, and diverse recreational offerings that serve all ages and backgrounds.

By choosing a name that is broad in appeal and encourages community engagement, “The TRAC” supports the City’s long-range vision for parks and recreation: to create welcoming and dynamic spaces that reflect Tracy’s values today and in the future.

#### 2. Historical and Cultural Relevance

Per Section 2 of the policy, the name also draws a meaningful connection to Tracy’s origins. The city’s historical ties to the railroad are subtly honored through the word “track,” while “The TRAC” reinterprets this legacy into a modern symbol of movement, health, and community engagement.

---

### **3. Community Appeal and Everyday Accessibility**

The name “The TRAC” resonates with the community by being simple, conversational, and relatable. It lends itself easily to everyday use—phrases like “I’m heading to The TRAC” or “Join us at The TRAC” naturally invite participation. These qualities foster a sense of familiarity and connection, which are important for cultivating long-term community pride and ownership.

Through community engagement during the Parks, Recreation & Trails Master Plan process, residents expressed a desire for recreational amenities that are approachable, welcoming, and useful to all generations. “The TRAC” captures that intent—not through formality, but through accessibility of language and spirit. It signals a space that belongs to everyone in the community, supporting the Master Plan’s call for socially connected, vibrant public spaces.

### **4. Alignment with City Branding – TRACER**

A particularly compelling rationale for the name “The TRAC” is its natural alignment with TRACER, the City of Tracy’s public bus transit system. Both names originate from the same core—Tracy + movement—and reflect the City’s broader commitment to public services that promote connectivity, access, and community well-being.

TRACER plays a vital role in linking residents to essential destinations throughout the city, and similarly, The TRAC will serve as a hub for physical activity, health, and social engagement. The shared naming convention is more than coincidental—it subtly communicates a unified vision for Tracy as a place where movement, accessibility, and inclusivity are prioritized across all municipal services.

This kind of internal brand cohesion not only enhances recognition and trust among residents but also reflects intentionality in how public spaces and services are named, promoted, and experienced.

### **5. Support for Unified Civic Identity**

“The TRAC” presents a name that is uniquely Tracy—rooted in its past, relevant to its present, and aspirational in its outlook. It communicates function, reflects community values, and supports an enduring identity for a cornerstone civic facility.

---

#### **Recommendation**

The Parks, Recreation & Community Services Department respectfully recommends that the Parks and Community Services Commission endorse the proposed name, **“The TRAC (Tracy Recreation Activity Center),”** and forward this recommendation to the City Council for final approval.

We thank you for your consideration and your continued dedication to building a connected, healthy, and vibrant Tracy.

# **Recommendation to Name Tracy's New Multi-Generational Recreation Center: "The LINK"**

## **Purpose**

The Parks, Recreation, and Community Services department propose naming Tracy's new Multi-Generational Recreation Center "The LINK" to capture its essence as a vibrant connector—bridging generations, neighborhoods, and community needs. More than a name, "The LINK" serves as an acronym representing:

**L** – Learn  
**I** – Interact  
**N** – Nurture  
**K** – Kinship

This name is paired with the slogan:

**"LINKing Generations Through Activity and Community"**

---

## **Justification**

### **1. Reflecting the City's Vision**

"The LINK" is in direct alignment with the City of Tracy's Parks and Recreation vision: "*Together, we create memorable experiences that link Tracy's past, present, and future.*" The name highlights the center as a key space for generational continuity and civic connection.

### **2. Emphasizing Connection and Community**

"The LINK" encapsulates the center's role as a hub for meaningful interaction. With features such as a three-court gymnasium, teen lounge, maker spaces, indoor track, and outdoor courtyard, the facility encourages physical activity, social interaction, and lifelong learning.

### **3. Supporting Sustainable and Inclusive Growth**

As Tracy grows, "The LINK" symbolizes a future-forward approach—combining inclusive access with environmental stewardship. Its pursuit of LEED Gold certification and net-zero energy performance underscores Tracy's commitment to sustainable, community-focused infrastructure.

### **4. Strengthening Identity and Recognition**

A memorable, meaningful name like "The LINK" enhances civic pride and makes the center instantly recognizable. The acronym and slogan reinforce its educational, social, and cultural mission, while also promoting a strong sense of place.

---

## **Alignment with Tracy's Strategic Goals**

"The LINK" aligns with the city's goals by:

- **Encouraging Community Engagement:** Offering a multi-use space that invites participation and connection.
- **Promoting Health and Wellness:** Supporting active lifestyles through physical and creative programming.
- **Championing Sustainability:** Reflecting eco-conscious values in design and operation.
- **Celebrating Diversity and Inclusion:** Creating a welcoming environment for all generations and backgrounds.

---

## **Conclusion**

"The LINK" is more than a name—it's a guiding philosophy for what Tracy's Multi-Generational Recreation Center stands for: **Learning, Interaction, Nurturing, and Kinship**. This name reflects the city's values, vision, and future, making it a fitting identity for a facility that truly **"LINKing Generations Through Activity and Community."**

The Tracy Golden Agers, is a diverse and active non-profit organization in Tracy for over 20 years; with nearly 100 members. The Golden Agers have participated and contributed to the Tracy community in multiple ways, Senior outreach, Senior education and outreach to the Tracy homeless community. It is in the spirit of civic mindedness that we have decided to participate in the nomination process for the Multi-Generational Recreation Center (MGRC).

In doing our research we have read the standard procedures and guidelines for the naming of Public Buildings, Parks and Recreational facilities. Under "Consideration for Names" it lists some factors that should be given strong consideration, some of them are:

- The level of involvement and commitment to the Tracy community over a span of years
- Individuals who have been involved in many facets of the community.
- The local significance and relationship of this individual to the City of Tracy.
- An individual that reflects the current and past heritage and historical significance of the community.
- Names that represent the current and past cultural diversity of the community.

At this time in our current cultural and political environment, Tracy Golden Agers believes there is no better time than now to take the bold statement of naming the Multi-Generational Recreation Center (MGRC):

**Dr. Nancy D. Young Recreational Center**

We believe that few if any individuals meet as many of the qualifications for this honor as does the First African American Mayor and the first elected female Mayor. These two accomplishments could be enough for consideration to inspire the youth of Tracy for decades to come, however in addition to Dr. Young's 12 years of service as a council

Parks & Recreation Department

This was written May 28, 2025

My name is Loraine Terra. The Multi-Generational Recreation Center should be named the Donald and Charlotte Bisbee Multi-Generational Recreation Center. Donald and Charlotte have been married over 68 years when Charlotte died. They moved to Tracy, CA from Michigan around 1961 just after their daughter Cindy was born. Five months after moving to Tracy their son Derek was born. Christa was born ten years later. They have been longtime Tracy Educators, teaching for 50 decades. Don and Charlotte taught students of all ages from high school to kindergarten.

How do I know the Bisbees. It was 1963. I was at my junior year English class at Tracy High School who was my teacher. Mr. Donald Bisbee. He was a great teacher. He taught us all about American Literature. We read of mice and men by John Steinbeck. Ernest Hemmingway's The Old Man and the Sea. Poetry by Robert Frost. Years after I graduated Tracy High School Mr. Bisbee became the drama teacher. Some plays I remember seeing were Snoopy and the Sound of Music.

2

Donald and Charlotte were active in the community. He was a longtime Lions member. Going to Pancake breakfast at Lincoln Park he was always dressed like uncle Sam. He was very active in Tracy Community Theatre. I was in many plays with him. Oliver, Oak for home, and all the Tracy Our Town Plays by Evelyn Tolbert, about the history of Tracy, they Charlotte and Don were active members of the First Presbyterian Church. Charlotte was a member of the Junior Womens Club and later Tracy Womens Club. She was on a board to have the Stockton Symphony play at local Tracy Schools.

They have taught all age levels of student, the ones who will be going to the Multi-generation Recreation Center. Some of the people going there can say Don and Charlotte taught them, their children or grandchildren. Don even attended the Bally & Jansen Senior Center, doing karaoke and going to the Jubilee on Tuesday. The Bisbees have lived in Tracy over 60 years. Now is finally the time to name something after them. The Donald and Charlotte Multigenerational Center couldn't be more fitting. Thanks

Attn: Parks & Recreation Director

Tracy, CA 95376

I would like to submit the name of Joe Wilson as the name of the new Multi-Generational Recreation Center. I have attached Mr. Wilson's obituary because it says everything I would have said. I feel that Joe Wilson had an enormous impact on the growth of Tracy's recreation programs and on the lives of many of Tracy's youth and senior citizens. I think that was evident when the former post office (now the Tracy Historical Museum) was name the Joe Wilson Recreation Center. Mr. Wilson oversaw programs for young children, teens and senior citizens. He truly established multi-generational programs.

Thank you for your consideration,  
Marie Christian Patterson  
former employee of Joe Wilson

A native of Lodi, Mr. Wilson graduated from Lodi High School in 1943 and served with the U.S. Marine Corps in the Pacific during World War II.

Following the war, he enrolled in the College of the Pacific (now University of the Pacific), where he was a champion backstroker and team captain of the Tiger swim team. He earned a bachelor's degree in biological sciences in 1949 and a master's degree in group activities and recreation in 1951.

While attending college, he became a part-time employee of the city of Lodi's recreation department, where he formed the Lodi Junior Sportsmen's Club, which started with 22 members and grew to 500 members.

Mr. Wilson was a full-time employee with Lodi recreation when he was named the first director of the newly formed Tracy District Recreation Commission in February 1952.

As director of recreation and, originally, the commission's only full-time employee, Mr. Wilson was responsible for programs supported by four agencies — the city, the county and the elementary school and high school districts.

He inherited the city league softball program and built on that base to develop and supervise a wide range of other recreation activities, including youth league baseball, city league basketball, operation of the Tracy Plunge, learn-to-swim programs, the Teenage Center at Tracy High, summer crafts programs in parks, and classes ranging from modern dance to cake-decorating.

Joan Rickman, who was his first part-time secretary in the first recreation office in the basement of City Hall (Old Central School), remembers Mr. Wilson working all hours and on weekends to develop his vision of a full-scale recreation program.

"Joe was very well-organized and made sure things were run in the right way," she said. "He wanted as much participation as possible."

Don Nicholson worked for Mr. Wilson on weekends and in the summer as a recreation supervisor and said Tracy was fortunate to have such an active recreation program with good leadership. Mr. Wilson remained a good friend over the years, he said.

Carolyn Taylor, who was secretary in the recreation office for six years, recalls how Mr. Wilson would make sure children in low-income homes would be able to participate in recreation programs.

"Joe would find jobs for kids without any money so they could take part," she said. "He would dig into his own pocket to pay their admission in the Plunge."

Pam Wilson Lundein, one of Mr. Wilson's four daughters, remembers her father had an active schedule, especially in the summer months — heading home for dinner and then taking off to check on a softball game or nighttime opening of the Plunge.

"He was always on the move, but somehow found time to be with his family," she said.

In addition to overseeing the recreation programs, Mr. Wilson developed the annual recreation commission budget and met monthly with the five members of the recreation commission. Members of the commission represented the four sponsoring agencies, with one member-at-large.

Mr. Wilson served as the commission's director until 1987, when the city of Tracy took over the recreation program. He worked for the city a year as director of recreation, retiring in 1988.

After the former post office building became the Tracy Recreation Center, it was named the Joe Wilson Recreation Center. When the building's name was changed to the Tracy Historical Museum, the city's swimming pool in Dr. Powers Park was named the Joe Wilson Pool.

Larry Minner, who later became sports editor of the Tracy Press and Modesto Bee, recalls the first thing many of his friends said on learning of Mr. Wilson's death: "Joe Wilson gave me my first job."

"I can't begin to count how many Tracy young people worked for Joe over the decades he ran the recreation program," Minner said. "I started in the eighth grade as a Tracy Plunge locker boy for 50 cents an hour and worked in any number of jobs through my high school and college years."

Minner noted that Mr. Wilson's program started with young children learning to swim and continued to encompass senior citizens playing cards in the Old Timers Club in the basement of City Hall or taking part in the Tracy Senior Citizens Club, which was co-sponsored by recreation and the Soroptimist Club.

"Joe looked after the recreation needs of the entire range of Tracy residents," Minner said. "This was before there were separate organizations such as Little League, Babe Ruth, the swim club, youth football and soccer leagues."

Minner said he can still visualize Mr. Wilson buzzing around town in his open-air Jeep, checking on the various activities simultaneously under way.

Dear Parks & Recreation Director, City of Tracy

We, the Venkateswaran family and residents of the Tracy Hills community, write this letter with wholehearted support to nominate Dr. Nancy Young as the namesake for the new Multi-Generational Recreation Center (MGRC) at El Pescadero Park, Tracy.

Though Dr. Nancy Young completed her term as Mayor in 2024, her spirit of leadership and community care has never faded. In fact, we experienced it firsthand during a traumatic moment in our lives.

In December 2024, while we were away, our home in Tracy Hills was broken into. As a family, we were shaken and unsure how to proceed. We reached out to Dr. Young, knowing she was no longer in office, but hoping she could provide guidance. To our great relief and gratitude, she responded immediately. She personally coordinated with the Tracy Police Department and made sure they were aware of the situation, following up to ensure appropriate action was taken. She didn't have to get involved—but she did, without hesitation. That's the kind of leader Nancy Young is.

And this wasn't an isolated gesture. In 2024, during a brush fire near the hills of our neighborhood, many homeowners were thrown into confusion and fear. There were mixed messages and little clarity about evacuation procedures. Once again, it was Nancy who stepped up. She quickly organized community meetings with the Tracy Fire Department, helping ensure residents understood emergency protocols, safety measures, and how to better prepare for future incidents. Her proactive coordination restored calm in a moment of uncertainty.

We know we're not alone. Many of our fellow Tracy Hills homeowners—some of whom have signed below—have shared their own stories of how Dr. Young has been present, responsive, and supportive in times of need. Whether during issues related to community safety, development, or simply lending an ear to concerned neighbors, Nancy has consistently shown up for us.

Beyond public safety and civic responsiveness, what stands out most is her dedication to unity and inclusion. As the founder of Tracy Connects, Nancy has worked to bring people of all nationalities, backgrounds, and faiths together through cultural events, resource drives, and community celebrations. In a city as diverse as Tracy, her efforts to foster belonging have made a lasting impact.

Additionally, her leadership has had direct influence on the very existence of the MGRC. The funding that made this facility possible—through its construction, staffing, and long-term maintenance—was made available because of Measure V, a city initiative that Dr. Young championed in 2016. Long before the first brick was laid, she was fighting to make this center a reality for families across Tracy.

For us, and for many in Tracy Hills, the MGRC represents the type of vibrant, safe, and inclusive space that Dr. Nancy Young has spent her career building. It is only fitting that her name grace its entrance.

We ask that the city honor her legacy, service, and heart by naming the center the Dr. Nancy Young Recreation Center. It will serve as a lasting reminder of what thoughtful, action-oriented leadership can achieve—and as a source of inspiration for generations to come.

With gratitude,

Rema and Suresh Venkateswaran

## **Honoring Heritage Through Name: The Significance of Water Tanks in a Multigenerational Recreational Center**

In cities across the world, water tanks have served as both functional infrastructure and lasting symbols of community identity. For a city recognized for its distinctive water tanks, choosing to name a multigenerational recreational center after these iconic structures carries deep symbolic and cultural significance. It is more than a tribute to local architecture; it is a meaningful gesture that weaves history, resilience, and unity into the very fabric of a space designed to serve diverse generations.

Water tanks are a powerful metaphor for the community. They store and distribute one of life's most essential resources, water just as a multigenerational center stores and share opportunities for recreation, learning, and connection. These tanks, often towering above neighborhoods, represent dependability, support, and collective sustenance. By invoking this imagery, a name tied to water tanks signals that the center is a reliable and inclusive space where people of all ages can gather, grow, and thrive together.

Furthermore, naming the center after a locally recognized feature such as a water tank builds a bridge between the past and present. It honors the city's industrial or architectural legacy while fostering a sense of continuity and belonging. Elders may recall the tanks as familiar landmarks of their youth, while younger generations learn to appreciate their cultural relevance. In this way, the name itself becomes a shared reference point, strengthening intergenerational bonds and deepening local pride.

Additionally, a name inspired by the city's water tanks can enhance the center's identity and visibility. It creates a memorable and grounded brand that resonates with residents, signaling that the space is rooted in the community's character. Names such as "The Tank," "The Reservoir," or "Unity Tower" evoke strength, connection, and collective purpose qualities essential to a center designed to serve people across the lifespan.

In essence, choosing to name a multigenerational recreational center after the city's iconic water tanks is both a nod to tradition and a vision for the future. Afterall, Tracy High considers tradition to be embedding into our lives around here. Our football team drink out of a water tank on the sidelines on Friday nights, and we can consider our school to be the "Tank Town" of the 3 high schools!

It captures the essence of a place where the community's vitality is held and shared where stories, energy, and relationships flow freely, much like the water once stored in the tanks themselves. It is a meaningful way to remind all who enter that this center is built not only of bricks and beams but also of memory, identity, and unity.

Dear Parks & Recreation Director, City of Tracy

My name is Shivani Shibu and I am a junior at John C. Kimball High School in Tracy. I am writing this letter on behalf of myself and several of my schoolmates to enthusiastically nominate Dr. Nancy Young as the namesake of the new Multi-Generational Recreation Center (MGRC) in El Pescadero Park, Tracy. We respectfully propose the name “Dr. Nancy Young Recreation Center.”

As high school students and young members of this city, we’ve seen firsthand how Dr. Young’s leadership, compassion, and tireless service have touched lives across every generation. I personally had the privilege of interning with Dr. Young as an intern on the Mayor’s Wall Project, which brought long-overdue recognition to past community leaders and Mayors who were never formally honored. This initiative, which now graces the foyer of Tracy City Hall, was a perfect example of Dr. Young’s belief in shining a light on others and ensuring no contribution to our community goes unnoticed.

That project—and her mentorship—deeply inspired me to pursue a future in public service and public health. But what’s even more meaningful is that I’m not alone in this. My friends and fellow students at Kimball High School have also been inspired by Dr. Young’s example. Her commitment to uplifting youth, especially those who often go unheard, has opened doors for us that didn’t exist before.

Dr. Nancy Young served as Mayor of Tracy from 2020 to 2024, after eight years on the Tracy City Council (2012–2020) and a term as Mayor Pro Term (2019–2020). She also holds the distinction of being the first elected female mayor in the 150-year history of Tracy—a milestone that represents more than just a title. It represents hope, courage, and the strength of diversity. Dr. Young’s leadership has shown young women and students of color in our city that we, too, belong at the table.

Her record of youth empowerment speaks for itself:

- She championed the Mayor's Community Youth Support Expansion, which allowed students like us to access paid internships and work experience.
- In 2023, thanks to her advocacy, two high school student seats were created on the Proposed Environmental Sustainability Commission, giving teens a real voice in shaping the future of our environment and city.
- She was instrumental in passing Measure V in 2016, which provided the very funding that made the MGRC possible—including its construction, staffing, and long-term maintenance.

This new 61,300-square-foot facility is designed to serve residents of all ages and backgrounds. It includes a gymnasium, teen lounge, technology and maker space, a running track, and much more. What better name could represent such a space than someone who has spent her life building bridges between generations, investing in youth, and creating access for all?

Dr. Young is more than a former mayor. To us, she is a mentor, a role model, and a symbol of what's possible when you lead with heart, integrity, and vision. Naming this center after her would not only honor the person who helped make it a reality—it would also inspire future generations of Tracy residents, students, and leaders.

We respectfully urge the City of Tracy to name this new space the Dr. Nancy Young Recreation Center, and allow her legacy to live on in the place that so perfectly reflects her values and lifelong commitment to our community.

Sincerely,  
Shivani Shibu  
Junior, John C. Kimball High School

Dear Parks and Recreation Committee,

My name is Geethika Marusetti, and I am a student at Kimball High School. On behalf of the teachers at John C. Kimball High School, I'm attaching a list of signatures in support of the proposal to name Tracy's new Multi-Generational Recreation Center as the "Dr. Nancy Young Recreation Center".

Dr. Young has been instrumental in advocating for teacher resources, improving student services, and strengthening community partnerships. Her leadership has led to various initiatives as detailed in the attached petition, which have positively impacted both educators and students alike.

This petition reflects the collective voice of our educators, who are deeply invested in the well-being of our students, schools and the greater Tracy community.

The teachers of Kimball High believe that this name would honor the dedication and years of service Dr. Young gave to the Tracy community. We respectfully ask you to consider "Dr. Nancy Young Recreation Center" as the name for the new MGRC.

Thank you for your time and consideration. Please feel free to reach out to any of the teachers who signed this petition if you have any questions or email Mr. Tyler Mullen. [English Teacher, [tmullen@tusd.net](mailto:tmullen@tusd.net)]
