

Question

1- Pursuant to the California Public Records Act (Government Code §6250 et seq.), I hereby request copies of the City of Tracy's current active contracts, amendments, purchase orders for fire alarm monitoring and security alarm monitoring and quarterly inspection (including vendor name(s), contract number(s), start and end dates, and the current monthly and/or annual payment amounts).

please also provide the pricing sheets or attachments from the most recent procurement (RFP CSE-22003 / "Security & Fire Alarm Systems and Monitoring") showing proposed or awarded monitoring pricing for each site.

2- also in regards to the leased fire alarm systems that you are requesting to replace to purchased, does the lease includes the panels only ? or panels and devices (smoke detectors, strobes \ horne strobes)?

Answer

Please request this information via the City Clerk's Office or on the City of Tracy website.

Bid results will not be available for public records request until the bid posting closes and the contract has been awarded by City Council.

Includes panels and devices.
