NEW APPLICATION FOR LOW INCOME RATE ASSISTANCE (LIRA)

ABOUT THE LIRA PROGRAM

The City of Tracy offers a low-income rate assistance (LIRA) program for water, sewer and garbage service. The LIRA program waives the minimum monthly meter charge of \$18.50, discounts the monthly sewer fee by \$2.55, and discounts basic monthly garbage fee by \$5.00. You will still be responsible for the amount of water used (consumption as metered) and the monthly storm drain fee.

QUALIFICATIONS

- The City of Tracy utility bill for services must show the same name and service location as that on the PG&E bill.
- You must be approved for the CARE program through PG&E, and supply the City of Tracy with a copy of the first page of your most recent PG&E Energy Statement showing the CARE discount.
- The LIRA program is only applicable to individually metered households. If you live in a multifamily structure serviced by one master or shared meter, then this program is not applicable.
- You must re-verify your eligibility for this program no less than once a year. Renewal notices will be sent to you.
- No credit for discounts will be applied to charges incurred prior to receipt and approval of your application.

Important Messages
 Summer Reminder: Unusually high temperatures, like those experienced in early July, can lead to greater energy use and higher than average summer bills. Our new energy statement provides helpful charts to help you understand your charges. For more detailed information, including how hot weather may have affected your usage, log in to - or create - your account at pge.com/myenergy.
