

CESQG Program Costs

Waste Type	Fee	Units
Processing Fee	\$20.00	per visit
Lead Acid Batteries	N/C	
Motor Oil	N/C	
Oil Filters	N/C	
Fuel Filters	\$1.00	each
Absorbent	\$1.30	pound
Antifreeze	\$1.00	gallon
Fluorescent Tubes	\$0.15	foot
CFLs	\$1.10	each
Misc. Mercury Bulbs	varies	pound
Single-use Household Batteries	\$ 0.70	pound
Rechargeable Household Batteries*	\$1.50	pound
Lighting Ballasts	\$0.70	pound
Mercury Devices	\$11.50	pound
Latex Paint	N/C	
Oil-Based Paint & Related	N/C	
Pharmaceuticals**	\$3.50	gallon
Flammable Solids	\$1.30	pound
Flammable Liquids	\$3.50	gallon
Poisons	\$1.30	pound
Inorganic Acids	\$1.30	pound
Organic Acids	\$1.30	pound
Inorganic Bases	\$1.30	pound
Organic Bases	\$1.30	pound
Neutral Oxidizers	\$1.40	pound
Oxidizing Acids/Bases	\$1.40	pound
PCB Containing Paint	\$3.20	pound
Other PCB Waste	\$3.20	pound
Corrosive Aerosols	\$1.30	pound
Flammable Aerosols	\$1.30	pound
Reactives	\$5.30	pound
Class 9 Non-RCRA	\$1.30	pound
Propane Tanks	varies	each
Helium Tanks	N/C	
Asbestos (non-friable)	\$1.30	pound
Treated Wood	\$0.65	pound
Empty Drums	\$11.00	each

* no charge for rechargeable batteries if terminals are insulated/taped
 ** no controlled substances are accepted

Fees for the drop-off program depend on the type and amount of waste.
Prices stated are for informational purposes only and are subject to change at any time.

SMALL BUSINESS HAZARDOUS WASTE DISPOSAL PROGRAM

AFFORDABLE, SAFE & LEGAL HAZARDOUS WASTE DISPOSAL FOR SAN JOAQUIN COUNTY SMALL BUSINESSES

Become a "SQUEEGEE." Details inside!

SAN JOAQUIN COUNTY

SAN JOAQUIN COUNTY HOUSEHOLD HAZARDOUS WASTE FACILITY (HHW) 7850 R.A. BRIDGEFORD STREET, STOCKTON, CALIFORNIA 95206

- Open to qualifying small businesses (see details inside)
- By appointment only, must pre-qualify, small fees apply
- Call (800) 207-8222 for appointment

FOR ADDITIONAL INFORMATION

Please call the San Joaquin County Department of Public Works, Solid Waste Division at (209) 468-3066.

FROM I-5:

- take the French Camp exit
- turn east on French Camp Road to Airport Way
- turn north (left) on Airport Way
- turn east (right) on C.E. Dixon Street
- turn south (right) on R.A. Bridgeford Street
- turn left into the facility where sign reads: "Entrance Only"

FROM HWY 99:

- take the Arch Road exit and turn west on Arch-Airport Road
- turn south (left) on Airport Way
- turn east (left) on C.E. Dixon Street
- turn south (right) on R.A. Bridgeford Street
- turn left into the facility where sign reads: "Entrance Only"

In keeping with our mission of following sustainable practices, this brochure is printed on 100% recycled paper, 50% post-consumer, processed chlorine-free, using natural inks and wind power - all at a cost comparable to conventional printing methods.

CONTACT INFORMATION

24hr Info Line: 800-449-4840
 Telephone: 209-468-3066

DOES YOUR BUSINESS GENERATE SMALL AMOUNTS OF HAZARDOUS WASTE?

If so, you may have a problem - it's expensive and difficult to dispose of chemicals, such as paint, motor oil, solvents, and acids. Legally, they don't belong in the trash or down the drain; they are hazardous waste, and they must be specially managed and documented. The Cities and County of San Joaquin have an affordable solution that may work for you.

WHAT'S A "SQUEEGEE" (CESQG)?

San Joaquin County sponsors a **Conditionally Exempt Small Quantity Generator Program (CESQG)** that offers qualifying businesses an affordable solution for hazardous waste disposal. To qualify as a CESQG (or "squeegie"), your business must generate per month:

- Less than 220 pounds or approximately 27 gallons (liquid) of hazardous waste.
- Less than 2.2 pounds or approximately 1 quart (liquid) of certain original unused products (i.e., acutely hazardous wastes), and
- Less than 110 pounds or approximately 13 gallons (liquid) of perchloroethylene.

WHAT'S IN IT FOR MY BUSINESS?

What's in it for your business? Plenty!

- A low-cost way to safely dispose of hazardous materials.
- Documentation that your business is properly managing its hazardous waste.
- Free consultation from certified hazardous waste specialists and qualified personnel.
- Another level of protection under "cradle to grave" laws, your business is responsible for the waste it generates. You can be held liable long after you've paid someone else to haul waste away. The County assumes generator responsibility for waste accepted under the CESQG program. Once accepted, you can be assured that the material will be disposed of properly.

IT'S EASY TO SIGN UP!

Call (800) 207-8222 to see if your business qualifies for the CESQG Program. If so, you may schedule an appointment to drop off waste. Pick-up services may also be available at an additional cost.

WHAT WILL IT COST ME?

Costs depend on your waste types. Central collection means lower transportation & handling costs. Disposal costs may be considerably lower than what you currently pay. See the back panel of this brochure for sample pricing.

MAY I TRANSPORT IT?

California law allows generators to self-haul up to 15 gallons OR 125 pounds of *their own* hazardous waste at one time. An exception is made for used oil; you may haul one 55 gallon drum of used oil at one time.

IT'S YOUR RESPONSIBILITY AS A GENERATOR TO KNOW THE LOCAL, STATE, AND FEDERAL REGULATIONS REGARDING THE STORAGE, DISPOSAL, AND TRANSPORTATION OF HAZARDOUS WASTE.

EPA ID NUMBERS

State law requires hazardous waste generators to have an EPA ID number. To obtain an EPA ID numbers, call CalEPA Department of Toxic Substances Control at 1-800-618-6942 or visit them on the web at www.dtsc.ca.gov.

WE ACCEPT UNIVERSAL WASTE!

Mercury Containing Devices:

- Fluorescent Bulbs
- HID Lamps
- Neon Bulbs
- Switches
- Thermometers

Electronic Waste*:

- Computers
- Monitors
- Small Electronics

Batteries:

- Alkaline
- Lead Acid
- Rechargeables

* Call 209-468-3066 for additional disposal options for e-waste.

MATERIALS SAFETY DATA SHEETS (MSDS) ARE OFTEN YOUR BEST SOURCE OF INFORMATION REGARDING THE PRODUCTS YOU USE. MSDS SHEETS ARE AVAILABLE FROM PRODUCT SUPPLIERS.

The CESQG Program is a collaboration between the Cities and County of San Joaquin.

THE SAN JOAQUIN COUNTY DRAINAGE ORDINANCE PROHIBITS DUMPING ANYTHING DOWN A STORM DRAIN OR INTO A WATERWAY.

TO REPORT ILLEGAL STORM DRAIN DUMPING PLEASE CALL: (866) 755-4955.
